SIR,

In reply to your letter No. G.6063/No.G.M. 294-12-4, dated 3rd April, enquiring if the Mysore Bank printing work can be conveniently done in the Government Press, I have the honour to reply that it may be done in its initial stages, provided that it does not unduly interfere with Government work. Later on, when the Bank gets into working order, the work might, perhaps, with advantage to the community, be given out to private firms. Large items, such as ledgers, &c., could possibly be got from firms which specialise in that line. The Madras Bank Agent would, no doubt, give his advice on this point.

I take it that it would not be permissible to use Govt. water-marked paper. If so, then all papers will have to be purchased by the Press, and charged for accordingly.

In view of the extra expense to be incurred, a proportionate increase to the Budget will have to be made, as all receipts go direct to the Treasury.

There is no intimation given in your letter as to the approximate amount of the work in question.

I have the honour to be,

Sir,

Your most obedient servant,

C. H. Yates
